WHEREAS the Ontario Securities Commission (the "Commission") has made a Temporary Order on the 4th day of January, 1985, pursuant to section 26(2) of the Securities Act, R.S.O. 1980, c.466 (the "Act") suspending the registration of HODGINS SECURITIES INC. ("Securities") as a Securities Dealer for a period of fifteen days;

TAKE NOTICE that the Commission will hold a hearing at its offices on the 18th floor, 20 Queen Street West, Toronto, on Wednesday the 16th day of January, 1985 at the hour of 10:00 o'clock in the forenoon, or so soon thereafter as the hearing can be held to consider, having regard to their suitability for registration, whether it is in the public interest that an Order should be made pursuant to section 26 of the Act to suspend, cancel, restrict or impose terms and conditions upon the Registrations of or reprimand Securities and Arthur Frazer Hodgins ("Hodgins") by reason of the following allegations:

1. Securities was at all material times registered as a Securities Dealer pursuant to the provisions of the Act.
2. Hodgins is the sole director and officer of Securities.
3. Securities was originally granted a Securities Dealer licence on the condition that Hodgins retained the services of another individual in the business with sufficient experience in the securities industry to enable him to competently manage the corporation. Securities has been without such an individual since March 2, 1984.

4. During the past nine months, Securities has consistently failed to maintain the minimum free capital required by section 95 of the regulations to the Act.
5. Hodgins has demonstrated that he is not able to competently manage a corporation registered in the category of Securities Dealer.

AND TAKE NOTICE that any party to the proceedings may be represented by counsel of his choice at the hearing if he attends or submits evidence thereat;

AND TAKE NOTICE that upon the failure of any party to attend at the time and place aforesaid, the hearing may proceed in his absence and he is not entitled to any further notice in the proceeding.

IN THE MATTER OF THE SECURITIES ACT,
R.S.O. 1980, CHAPTER 466

AND

IN THE MATTER OF UNITED FINANCIAL MANAGEMENT LTD.

AND

IN THE MATTER OF A RULING PURSUANT TO SECTION 73
OF THE SECURITIES ACT,
R.S.O. 1980, CHAPTER 466

Ruling
(Section 73)

UPON the application of United Financial Management Ltd. (the "APPLICANT") to the Ontario Securities Commission (the "COMMISSION") for a ruling pursuant to section 73 of the Securities Act, R.S.O. 1980, c.466 (the "ACT") that it be exempted from the provisions of section 95(3) of Regulation 910, R.R.O. 1980 (the "REGULATION") in respect of its registration as an Investment Counsel and Portfolio Manager, and

UPON reading the application and;

UPON it being represented to the COMMISSION that:

- (a) The APPLICANT is the Portfolio Manager of United Accumulative Fund Ltd., United Venture Fund Ltd., United American Fund Ltd., United Accumulative Retirement Fund, United Venture Retirement Fund and United Security Fund having assets of approximately \$184,000,000;
- (b) The APPLICANT is registered as Investment Counsel and as Portfolio Manager under the Act but not otherwise registered. That registration was subject to renewal on April 30, 1984, and has been renewed conditional upon the APPLICANT making this application, and receiving the requested Ruling;
- (c) Due to the nature of the operations of the APPLICANT and its financial arrangements with its Bankers, it does not maintain the minimum working capital required for an Adviser under section 95(3) of the regulations.
- (d) Accordingly, on February 26, 1981, the Commission granted the APPLICANT an exemption under s.73 of the ACT. The order required the deposit with a custodian of a \$100,000.
- (e) The APPLICANT is a federally incorporated company, continued under the Canada Business Corporations Act;
- (f) The APPLICANT may be described as a financial institution and in large measure, its business includes the investment of assets in equity forms of long-term investment as is common among "financial companies". In the normal course of its business, it will leverage its purchases to a reasonable degree by bank borrowings of a demand nature. In a structured balance sheet presentation of such a business, the long-term investments are not "current assets", however, the demand loans do appear as "current

liabilities". Thus, a negative working capital is shown.

- (g) Section 95(3) of the Regulations does not appear to have contemplated an application by such a company for registration. It does contemplate the use of "generally accepted accounting principles". As the segregation of current asset and liabilities of such corporations does not provide a fair or meaningful presentation in the context of the ability of such corporations to meet their liabilities when they fall due, the Handbook of the Canadian Institute of Chartered Accountants in Section 1510.09 provides in part, "the segregation of assets and liabilities between current and non-current may not be appropriate in the financial statements of certain types of enterprises such as financial institutions...";
- (h) The APPLICANT has transferred its banking business from The Bank of Nova Scotia to The Toronto-Dominion Bank at 55 King Street West, Toronto and portfolio securities are held by The Toronto-Dominion Bank as Custodian for each Fund;
- (i) As Portfolio Manager, the APPLICANT recommends the securities of the managed Funds to be bought or sold by the Custodian of the Fund. The Toronto-Dominion Bank, is responsible to keep, trade, deliver and receive cash and securities in respect of portfolio transactions. Accordingly, the Manager does not have actual possession of assets of the Fund for any purpose;
- (j) The APPLICANT maintains a fidelity insurance policy in the Bankers' Blanket Bond class of \$2,000,000 for employee dishonesty and \$1,000,000 for security forgery; and

UPON being satisfied that to make this ruling would not be prejudicial to the public interest;

IT IS RULED, pursuant to section 73 of the ACT, that the APPLICANT be exempted from the requirements of section 95(3) of the REGULATION, as imposed pursuant to section 24(1) of the ACT, provided that:

- (a) all cash and securities in respect of portfolio transactions on behalf of the APPLICANT shall be held by an independent trustee or custodian acceptable to the Director, and
- (b) the APPLICANT shall maintain on deposit with an independent trustee or custodian acceptable to the Director the sum of \$100,000 of its own funds in form of cash or liquid securities.

OTHER INFORMATION

25.1 COMPANIES BRANCH/REASONS AND DECISIONS

25.1.1 PROPRIETORSHIPS AND PARTNERSHIPS

The following is an insert issued by the Companies Branch, Ministry of Consumer and Commercial Relations, in the matter of PROPRIETORSHIPS AND PARTNERSHIPS, REGISTRATIONS AND FILINGS DIFFICULTIES.

PROPRIETORSHIPS AND PARTNERSHIPSREGISTRATIONS AND FILINGS DIFFICULTIES

The Companies Branch has written to the county law associations asking that they draw to their members' attention difficulties which the Branch is experiencing with material being submitted through the mail for the above purpose. Almost 25% of the forms submitted have been incorrectly filled out and are being returned. A large percentage of registrations of business name or style are being submitted accompanied by the fee which was in existence before April 30th, 1984. A sample review over a five day period in December of these forms identified that the majority of the inadequate fee submissions received through the mail were sent by legal firms.

The Companies Branch has asked the county law associations to bring these matters to their members' attention.

Duncan Finlayson, Q.C. and Constance M.
Brothers on behalf of BAUHAUS DESIGNS
CANADA LIMITED, (hereinafter sometimes
referred to as the "Objector")

A hearing was held before me on the 5th day of September, 1984 pursuant to subsection 12(1) of the Business Corporations Act, 1982 (the "Act"). The purpose of the hearing was to decide whether or not a certificate of amendment to the articles of incorporation of the Proponent, Ontario Corporation No. 410787 should be issued changing its name.

Both the Proponent and the Objector were represented by counsel. No witnesses appeared on behalf of either party. The only evidence before me was the September 4, 1984, Affidavit of Mr. Martin Silver, a director and the Secretary-Treasurer of the Objector. Counsel for the Proponent consented to the introduction of that Affidavit as evidence.

The Objector was incorporated January 11, 1973, and accordingly is a "body corporate" within the meaning of the Act. The objects for which the Objector was incorporated read, in part, as follows:

- (a) To manufacture, make, produce, build, construct, create, evolve, design, prepare, adapt, assembly, alter, change, improve, sell, import, export, exchange, lease, hire,

distribute, market, exploit, receive, dispose of and in any and every manner whatsoever trade and deal in furniture and furniture novelties and goods and wares of every description; and to traffic in lumber and other materials and any of the products thereof, and any articles, chattels, goods and merchandise of every description whatsoever that are necessarily or impliedly incidental thereto.

The Objector has, since the date of its incorporation, been continuously engaged in its business under the corporate name "Bauhaus Designs Canada Limited".

The Proponent was incorporated on March 28, 1979 as 410787 Ontario Limited. On May 4, 1979, 410787 Ontario Limited, registered the business name or style of "Modern Design Studio". On February 17, 1981, 410787 Ontario Limited filed articles of amendment changing its name to "Bauhows Custom Wood Products Limited".

The Proponent is involved in the business of producing specially built furniture in a variety of wood, formica and arborite, including copper and brass products. The Proponent's products are built to its client's specifications and the projects range from residential to commercial.

Mr. Silver's Affidavit indicates that since the date of its incorporation, the Objector's name and the "Bauhaus" trademark have been used continuously to identify its business, goods and services, and to distinguish its business from others. Since the date of its incorporation, the Objector has carried on business and advertised heavily in both the United States and Canada. Advertising has been done in trade publications, the general media and by means of promotional material to retailers.

The Objector has, since May 15, 1979, had the trademark in Canada for "Bauhaus", in association with furniture, namely: upholstered furniture, sofas, sofa beds, love seats and chairs. In January of 1982, this trademark registration was extended to include "Bauhaus" in association with furniture of all kinds.

Since its incorporation, the Objector has expanded greatly with sales in Canada in the millions of dollars annually. Its advertising expenses also are in the millions of dollars. Mr. Silver states in his Affidavit that it first came to his attention that there was the similar corporate name of "Bauhows Custom Wood Products Limited", in December of 1981. At that time, a salesman for the Objector attended at the offices of the Proponent where he met with Mr. Peters, the President of the Proponent. At that time, Mr. Peters drew a sketch of a wall unit which the Proponent corporation could make for the salesman. According to Mr. Silver's Affidavit, the wall unit was to be for residential use and is the same type of design as that marketed by the Objector.

In his Affidavit, Mr. Silver states that the name of the Proponent is confusing, is similar to that of the Objector, and that the use of the Proponent's name was intended to cause, and is likely to continue to cause, confusion, mistakes, and to deceive the trading and consuming public as to the true identity of the Proponent's goods. Despite this statement in Mr. Silver's Affidavit, counsel for the objector indicated that there had not, to their knowledge, been any specific instances of confusion with respect to the trading or consuming public.

Subsection 12(1) of the Act, pursuant to which this hearing was held, provides:

If a corporation, through inadvertence or otherwise, has acquired a name contrary to section 9, the Director may, after giving the corporation an opportunity to be heard, issue a certificate of amendment to the articles changing the name of the corporation to a name specified in the certificate and, upon the issuance of the certificate of amendment, the articles are amended accordingly.

Subsection 9(1) of the Act provides:

Subject to subsection (2), a corporation shall not have a name,

- (a) that contains a word or expression prohibited by the regulations;
- (b) that is the same as or... similar to,

- (i) the name of a known,
 - (A) body corporate,
 - (B) trust,
 - (C) association,
 - (D) partnership,
 - (E) sole proprietorship, or
 - (F) individualwhether in existence or not, or
 - (ii) the known name under which any body corporate, trust, association, partnership, sole proprietorship, or individual, carries on business or identifies itself,
- if the use of that name would be likely to deceive; or
- (c) that does not meet the requirements prescribed by the regulation.

Section 2 of the Regulation under the Act (the "Regulations") provides:

- (1) "Name" when used in the expression "if the use of that name would be likely to deceive" used in clause 9(1)(b) of the Act includes,
 - (a) a name that would lead to the inference that the business or activities carried on or intended to be carried on by the corporation under the proposed name and the business or activities carried on by any other person are one business or one activity, whether or not the nature of the business or activity of each is generally the same;
 - (b) a name that would lead to the inference that the corporation bearing the name or proposed name is or would be associated or affiliated with a person if the corporation and such person are not or will not be associated or affiliated; or
 - (c) a name whose similarity to the name of a person would lead someone who has an interest in dealing with the person, to deal with the corporation bearing the name in the mistaken belief that he is dealing with the person.

Section 3 of the Regulation provides:

For the purpose of section 12 of the Act, the matters the Director may consider when determining whether a name is contrary to section 9 of the Act include,

- (a) the distinctiveness of the whole or any element of any name or trade mark and the extent to which the name or trade mark has become known;
- (b) the length of time the trade mark or name has been in use;
- (c) the nature of the goods or services associated with the trade mark or the nature of the business carried on under or associated with a name, including the likelihood of any competition among businesses using such a trade mark or name;
- (d) the nature of the trade with which a trade mark or name is associated, including the nature of the goods or services and the means by which they are offered or distributed;
- (e) the degree of similarity between the corporate name and any trade mark or name in appearance or sound or in the ideas suggested by them; and
- (f) the geographic area in Ontario in which the corporate name is likely to be used.

The issue, therefore, is whether the actual use of the name "Bauhows Custom Wood Products Limited" by the Proponent would be likely to deceive, in that it would lead to the inference that the business carried on or intended to be carried on by the Proponent and the business carried on by the Objector are one business or that the name of the Proponent would lead to the inference that the Proponent was associated with the Objector or would lead someone who has an interest in dealing with the Objector to deal with the Proponent, in the mistaken belief that he is dealing with the Objector.

The Objector, through advertising and promotion in both the United States and Canada, has become widely known among the industry, retailers and the consuming public, as a manufacturer of furniture. The Proponent deals in specially built furniture, its products are made to the particular specifications of each client on a case-by-case basis and its activities are

limited to that area surrounding and including the Municipality of Metropolitan Toronto.

The Objector's name contains the word "Bauhaus" and the Proponents name contains the word "Bauhows". While these words are visually slightly different, they have the same auditory effect. Aside from this one word, the names of the corporations are very different.

In his Affidavit, Mr. Silver stated, in part, that the word "Bauhaus" was chosen because it was viewed as suggestive of a modern philosophy of functional design, that it was not a descriptive term but a school of thought in furniture, design and manufacturing, and that the philosophy associated with the Bauhaus School of Simplicity and Functionality was consistent with the Objector's corporate philosophy.

It also appears from Mr. Silver's affidavit that the client groups of the two corporations are quite different. The Objector markets on a continent wide basis, a brand of furniture for which it is well known and which is marketed to the general public. The Proponent caters to a specialty market desiring furniture built for a specific and unique purpose for both residential and commercial uses.

As previously noted, despite the fact that the two corporations have co-existed under their respective names for approximately three and a half years, during that period there have been no instances of confusion.

The basic and primary principle in granting corporate names is that set out by Kelly J. A., in Re C C Chemicals Ltd., [1967] 2 O.R. 248 (C.A.), at pp. 254-5, where he found that the purpose of the stricture on the granting, upon incorporation, of names similar to those of existing bodies, was to prevent, in the public interest, the use of incorporation to further deception likely to arise from similarity of names. He stated that the section 12 procedure was enacted not to enlarge the remedies available to protect a person against an infringement on the name or style under which he carries on business, but in the public interest and for the protection and

convenience of the public. Accordingly, the principles applicable in a "passing off" action are not relevant.

With respect to the meaning of "likely to deceive", Kelly J. A. adopted the words of Schatz J. in Re Col 's Sporting Goods Ltd. and C. Cole & Co. Ltd. and Coles Book Stores Ltd., [1965] 1 O.R. 331, at pp. 337-8:

The issue before me as I conceive it is to determine whether the name of [the Proponent] is "likely to deceive", that is, likely to cause confusion by reason of the existence of the prior incorporation of [the Objector] (at p. 254).

Regarding the word "likely" Kelly J.A., stated at p. 257 that it was unnecessary to demonstrate any intention to deceive on the part of the Proponent. Referring to the Oxford Dictionary for a definition of likely, he held, at page 257, that:

"Likely" as an adjective is defined by the Oxford English Dictionary as "probable" - "that looks as if it would happen". Accordingly, the question becomes, "Did the Provincial Secretary give to the proponent a name so similar to that of the objector that 'it looked as if deception would occur'."

He also pointed out, at p. 258, that the determination of the probable deceptive qualities of the name should not be approached so rigidly that the test becomes not "probability of deception" but "possibility of deception".

In summary, the relevant facts which it is appropriate to consider in determining likelihood of deception, are in essence, the nature of the businesses, the persons or classes of persons who might ordinarily be expected to deal with each, and of course the names of the businesses (Kelly, J.A. at pp. 258-9).

Regarding the names, the C C Chemicals case is important not only because it expands upon the meaning of "likely to deceive", but also because it is authority for the proposition that a corporation cannot, in the normal course, establish an exclusive right to use in its corporate name a word which describes its business. In C C Chemicals, leaving aside the legal designations, the proponent's name was "C C Chemicals", while the objector's name was "Construction Chemicals". The dominant feature of the name of the proponent was "chemicals", a descriptive word. The court did not require the proponent to change its name. Kelly, J.A. stated at pp. 261-2:

...in general terms it can be said that the broader the application of the term selected by the earlier corporation for inclusion in its corporate name the less is the ability of the user of that name to arrogate to himself any right to that name and to complain of the use by another of the same term -with proper distinguishing accompanying words. It was said in Cellular Clothing Co., Ltd. v. Maxton & Murray, [1899] A.C. 326 at p.336, that the utmost difficulty should be put in the way of anyone who seeks to adopt or use exclusively as his own a merely descriptive term. To this I would add that the greater the descriptive scope of the term or word adopted the more difficult the task of the selector to appropriate to himself a term which might be equally descriptive of the nature of other businesses.

and at p. 260:

...But assuming at this stage that the descriptive portion of its name was limited to the word "Chemical", the objector could not by incorporating that word in its name prevent every other person from using it as descriptive of the class of goods in which he dealt or proposed to deal.

With respect to the issue of the similarity of names:

BAUHOWS CUSTOM WOOD PRODUCTS LTD. (the "Proponent"), and
BAUHAUS DESIGNS CANADA LIMITED (the "Objector"),

only the phonetically similar words "Bauhaus" and "Bauhows" are common to both. On the Objector's own evidence, this is a descriptive word, descriptive of a school of thought in furniture design and, accordingly the utmost difficulty should be put in the way of anyone seeking to adopt or use exclusively as his own descriptive term. In other respects, the names of the two corporations are quite different.

I conclude, therefore, that the two names are not similar and that the use of the Proponent's name would not be likely to deceive within the meaning of section 9(1)(b) of the Act, in that the use of the Proponent's name would not lead to the inference that the business carried on by the Proponent and the Objector are one in the same, or that the Proponent is associated or affiliated with the Objector.

Subsection 12(1) of the Act provides that the Director may, in his discretion, change a name which contravenes the Act or the Regulations. Counsel for the Proponent referred to the decision of Mr. Justice Robins in Re Cantrade Sales and Import Co. Ltd. (1977), 15 O.R. (2d) 562 (Div. Ct.). In that decision, Mr. Justice Robins, in referring to the use of that discretion, even in the situation where there is non-compliance with the provisions of the Business Corporations Act, said:

Notwithstanding the acquisition of a name contrary to section 8(1), the Minister is obliged to consider whether, in the light of all the surrounding circumstances of a particular case, the name ought to be ordered changed. This consideration as a primary

matter involves the public interest in not being subjected to confusion through the use of similar corporate names, and as a secondary matter, the interests of the companies claiming the name and the relative hardship that may resolve to them from the decision.

In the case before me, I conclude that there is nothing to indicate that the public interest has been or will be subjected to confusion. At the same time, there would be obvious inconvenience and hardship should the Proponent be required to change its name.

Therefore, pursuant to the authority delegated to me under the Act, there will be no Order changing the name of the Proponent.

This decision does not, however, prevent the Objector from pursuing this avenue again should instances of confusion or additional evidence of the likelihood of confusion on the part of the public, come to light.

DATED at Toronto, Ontario this 7th day of December, 1984.

Headnote

Section 73 - Issuance of Voting and Participating Shares of previously unincorporated association of travel agents to full-time independent travel agents or their regional corporations is not subject to sections 24 or 52 of the Act providing certain conditions are met.

IN THE MATTER OF THE SECURITIES ACT,
R. S. O. 1980, CHAPTER 466

AND

IN THE MATTER OF
INDEPENDENT TRAVEL PROFESSIONALS INC.

RULING
(Section 73)

UPON the application of Independent Travel Professionals Inc. ("ITP") to the Ontario Securities Commission (the "Commission") for a ruling pursuant to section 73 of the Securities Act, R. S. O. 1980, c. 466 (the "Act") that the issuance of its Voting Shares to regional corporations ("Regional Corporations"), the shareholders of which are full-time independent retail travel agents (the "Agents"), and the issuance of its Participating Shares to the Agents is not subject to sections 24 or 52 of the Act;

AND UPON it being represented to the Commission that:

1. ITP began its operations as an unincorporated association (the "Association") of certain Agents in 1981;
2. On May 11, 1984, ITP was incorporated by the Agents to carry on activities previously performed by the Association, which might be of interest to Agents across Canada, including negotiations with national travel industry suppliers;
3. The authorized capital of ITP consists of an unlimited number of Voting Shares and an unlimited number of Participating Shares. Holders of each Voting Share are entitled only to the right to vote. Holders of each Participating Share are entitled to receive dividends as declared by the Board of Directors and to receive the remaining property of ITP on dissolution or wind-up;
4. Each shareholder in ITP is required to enter into a unanimous shareholders' agreement (the "Shareholders' Agreement") attached as Schedule A hereto. The Shareholders' Agreement:
 - (a) stipulates that each Regional Corporation shall own an equal number of Voting Shares, except for the promoter, Independent Travel Professionals Inc. (Central Ontario Region), which shall own 51 percent of the Voting Shares;

- (b) stipulates that each Agent shall own an equal number of Participating Shares, except that the each of the first 50 members of the Association who become Agents shall own twice the number of Participating Shares owned by each other Agent;
 - (c) contains certain restrictions on the transferability of the Voting and Participating Shares of ITP;
 - (d) sets out the circumstances under which ITP can redeem or cancel any shareholder's shares; and
 - (e) deals with other matters in respect of the conduct of the shareholder's business;
5. There is currently one Regional Corporation;
6. ITP is not a reporting issuer under the Act.

AND UPON the Commission being satisfied that to so rule would not be prejudicial to the public interest;

NOW THEREFORE IT IS RULED that the issuance of Voting Shares to Regional Corporations and Participating Shares to Agents by ITP is not subject to sections 24 or 52 of the Act, providing:

1. All shareholders of ITP are full-time independent travel agents or Regional Corporations, all of whose shares are owned by such agents;
2. ITP shall have delivered to shareholders and guarantors prior to their becoming shareholders and guarantors:
 - (a) a copy of the Articles of Incorporation;
 - (b) a copy of the By-laws;
 - (c) a copy of the most recent audited annual financial statements and the most recent semi-annual financial statements if subsequent to the former;
 - (d) a copy of the Shareholders' Agreement; and
 - (e) a copy of this Ruling;
3. All shareholders and guarantors shall execute a copy of the Shareholders' Agreement prior to, or at the time of, becoming a shareholder;
4. ITP shall prepare and send to each of its shareholders, but not to the Commission, annual financial statements and semi-annual unaudited financial statements in accordance with sections 76, 77 and 78 of the Act;
5. A trade in the Voting or Participating Shares of ITP by a shareholder shall be subject to the provisions of subsection 71(5) of the Act, as if the shares were acquired by the vendor pursuant to clause (n) of section 71(1) of the Act, unless,
 - (a) the trade is made to a spouse, child, daughter-in-law, or son-in-law of a shareholder;

(b) the trade is made to ITP; or

(c) the trade is from a person carrying on business as a sole The Commission is publishing in Chapter 5 of this edition of the OSC Bulletin the final form of OSC Policy 1.3 - Restricted Shares. The final form of the Policy has been significantly revised from Interim Policy 1.3 ((1984), 7 OSCB 1227) to reflect the decision of the Commission dated October 11, 1984, that take-over bid protection for holders of restricted shares would not be mandated and that minority approval would be required in all circumstances where these securities are created.

Policy 1.3 in its final form reflects a number of changes from the original Policy 1.3 "Restricted Shares (Uncommon, Duties) - Distributions and Disclosure. These changes include the following: -

- the application of the Policy is clarified;
- several definitions are added for greater certainty;
- the underlying policies of the Commission relating to restricted shares and the Director's discretion in this connection are amplified;
- minor amendments are made to the disclosure requirements in offering documents and disclosure documents;
- the rights of holders of restricted shares in connection with meetings of shareholders are extended;
- Policy 1.3 also reflects the requirement contained in the proposed new take-over bid legislation introduced in Bill 159 to the effect that voluntary offers for restricted shares must comply with the rules of Part XIX of the Act;
- a requirement is introduced for approval by a majority of the minority shareholders of an issuer proposing any corporate action or transaction which would, directly or indirectly, have the effect of creating a class or series of restricted shares.

IN THE MATTER OF THE SECURITIES ACT,
R. S. O. 1980, CHAPTER 466

AND

IN THE MATTER OF
INDEPENDENT TRAVEL PROFESSIONALS (CENTRAL ONTARIO REGION) INC.

RULING
(Section 73)

UPON the application of Independent Travel Professionals (Central Ontario Region) Inc. ("ITP-COR") to the Ontario Securities Commission (the "Commission") for a ruling pursuant to section 73 of the Securities Act, R. S. O. 1980, c. 466 (the "Act") that the issuance of its Voting Shares and its Participating Shares to full-time independent retail travel agents (the "Agents") is not subject to sections 24 or 52 of the Act;

AND UPON it being represented to the Commission that:

1. ITP-COR began its operations as an unincorporated association (the "Association") of Agents in 1981;
2. On May 11, 1984, ITP-COR was incorporated by the Agents to carry on some of the activities previously performed by the Association, including advertising in local newspapers on behalf of the Agents and other activities of a local nature;
3. The authorized capital of ITP-COR consists of an unlimited number of Voting Shares and an unlimited number of Participating Shares. Holders of each Voting Share are entitled to the right to vote. Holders of each Participating Share are entitled to receive dividends as declared by the Board of Directors and to receive the remaining property of ITP-COR on dissolution or wind-up.
4. Each shareholder in ITP-COR is required to enter into a unanimous shareholders' agreement (the "Shareholders' Agreement") attached as Schedule A hereto. The Shareholders' Agreement:

- (a) stipulates that each Agent shall own an equal number of Voting and Participating Shares in ITP-COR and that all Agents in ITP-COR will own the same number of Voting and Participating Shares;
 - (b) contains certain restrictions on the transferability of the Voting and Participating Shares of ITP-COR;
 - (c) sets out the circumstances under which ITP-COR can redeem or cancel any shareholder's shares; and
 - (d) deals with other matters in respect of the conduct of the shareholder's business;

6. ITP-COR is not a reporting issuer under the Act;

AND UPON the Commission being satisfied that to so rule would not be prejudicial to the public interest;

NOW THEREFORE IT IS RULED that the issuance of Voting and Participating Shares to Agents by ITP-COR is not subject to sections 24 or 52 of the Act, providing:

- 1. All shareholders of ITP-COR are full-time independent travel agents whose place of business is in Ontario;
- 2. ITP-COR shall have delivered to shareholders and guarantors prior to their becoming shareholders and guarantors:
 - (a) a copy of the Articles of Incorporation;
 - (b) a copy of the By-laws;

- (c) a copy of the most recent audited annual financial statements and the most recent semi-annual financial statements if subsequent to the former;
 - (d) a copy of the Shareholders' Agreement; and
 - (e) a copy of this Ruling;
3. All shareholders and guarantors shall execute a copy of the Shareholders' Agreement prior to, or at the time of, becoming a shareholder;
 4. ITP-COR shall prepare and send to each of its shareholders, but not to the Commission, annual financial statements and semi-annual unaudited financial statements in accordance with sections 76, 77 and 78 of the Act;
 5. A trade in the Voting or Participating Shares of ITP-COR by a shareholder shall be subject to the provisions of subsection 71(5) of the Act, as if the shares were acquired by the vendor pursuant to clause (n) of section 71(1) of the Act, unless:
 - (a) the trade is made to a spouse, child, daughter-in-law, or son-in-law of a shareholder;
